The affiliation of the different authors

Correspondence information: please include an updated E-mail address

I would prefer a poster / Oral presentation (leave only the option you prefer)

Abstract

The interesting part comes here... (not more than 150 words)

Please keep it clear, interesting and short.

An example:

Increase in dust deposition following the Midburn festival reduces pollination success of desert shrubs

Dusty Hoffman^{1,2}, Berny Man¹ and Midelof De Desert²

¹Institutue for desert studies, Ben-Gurion University of the Negev. Beer-Sheva, 82105.

²Department of Geomorphology, Ben-Gurion University of the Negev.

dhoffman@desertcorner.bgu.ac.il

The short term migration of humans to remote desert areas generate huge amount of dust that may have significant effects on the local flora and fauna. These depositions may interfere with various biotic interactions...

I would prefer an **Oral presentation**
